

# ALISTAIR CHITAMBO

alistairchitambo.dev | +48603683728

I'm software developer. I'm currently working as a freelance front-end developer and back-end developer, designer, and illustrator.

## EXPERIENCE

2021 – CURRENT

**FRONT-END DEVELOPER**, FREELANCER

- Developed responsive websites using React and Angular
- Designed and implemented WordPress sites for various clients, ensuring optimal performance and user experience.
- Collaborated with clients to deliver customized solutions that align with their brand identity and business goals.

2022 – CURRENT

**DIGITAL ARTIST**, FREELANCER

- Designed characters and illustrations for indie creators on Manga Plus.
- Provided creative direction and artistic solutions to bring client concepts to life, maintaining a high standard of visual appeal.

2019– 2020

**COSTUMER SERVICE REPRESENTATIVE**, CALL CENTER

- Handled customer inquiries via phone, email, and live chat, achieving a customer satisfaction rating of 95%.
- Assisted in resolving customer complaints and issues promptly and professionally.
- Updated customer accounts and information in CRM database with accuracy and completeness.
